About Event

Welcome to Team1 Workshop - Exclusive for JNTUH Students

Introduction

Come meet the Avalanche community for a full day of learning, building, and connecting! 🚀

Whether you're completely new to blockchain, exploring Avalanche, or already building on-chain, this workshop is designed to give you practical exposure to the Avalanche ecosystem and help you take your first steps as a builder.

From understanding Avalanche L1s and exploring the ecosystem to deploying smart contracts, NFTs, and vibe coding you'll get hands-on experience throughout the day.

Event Program

10:00 AM — Welcome & Registration

Doors open, attendee welcome, introductions, and networking.

10:30 AM — Introduction to Blockchain & Avalanche L1s

Understand the fundamentals of blockchain and get introduced to Avalanche L1s and how the ecosystem works.

11:00 AM — Exploring the Avalanche Ecosystem

Discover the Avalanche ecosystem, its projects, opportunities, and the resources available for builders.

11:30 AM — Getting Started with Builder Hub

Create your Builder Hub profile, complete your registration, and explore the tools and resources available to you.

11:45 PM — Cascade Walkthrough

Get a guided introduction to Cascade and explore how it can help you build and experiment within the Avalanche ecosystem.

12:00 PM — Core Wallet & Developer Setup

Download and set up Core Wallet and get your environment ready for hands-on building.

12:15 PM — Smart Contract & NFT Deployment

Go hands-on with deploying smart contracts and NFTs on Avalanche.

1:00 PM — Lunch

Take a break, connect with fellow builders comeback for a banger second half session.

2:00 PM — Explore Builder Hub & Academy

Discover Builder Hub resources, Academy courses, learning paths, and opportunities to continue building your skills after the workshop.

2:15 PM — Vibe Code Session

A hands-on, interactive coding session where you can experiment, build, and bring your ideas to life.

3:45 PM — Wrap-Up & Community Connect

Final takeaways, questions, community connections, and next steps for continuing your Avalanche journey.

4:00 PM — Goodbye 🙋

Thank you for joining us — keep building!

🧩 About Team1

Team1 is a global network of builders, developers, creatives, & community members who grow Avalanche.

With 600+ members operating across 40 countries, Team1 drives the democratization and global adoption of Avalanche by onboarding new users and projects through local meetups, targeted workshops, exclusive side events, engaging content creation and community-led initiatives...

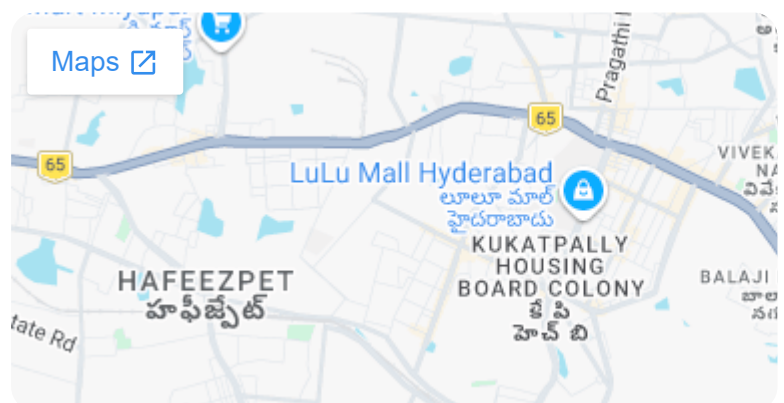

By bridging online and offline communities, Team1 empowers grassroots innovation and expands the reach of Avalanche into new regions and cultures.
